Dear Marty,

Thank you so much for your donation on a gift certificate to Foxfire Restaurant in Geneva for our open house/fund raiser which was held over the weekend. We had a great turn out and lots of fun. By the way, people noticed how great the floor looked so our little zambonie got lots of exposure too.

Thank you again. I really appreciate your support. We had fun with the raffle and believe me, the recipient of the gift certificate is really looking forward to going to Foxfire.

Warmly,

Julie Condron
