Mr. Moresco,  
 just a note to thank  
 you for the recent use  
 of your scrubber.  
 It helped to make  
 short work of a big job! We  
 can now be sure our gym  
 floor is really clean.

Ticks are in progress  
 regarding the purchase of a  
 machine to do all our floors.  
 Will keep you posted.  
 Again, on behalf of TRS,  
 thank you very much!

Jackie
