

3610

Battery-powered Vacuum/Sweeper

- Easy to maneuver with compact size and cordless design
- Quiet battery operation machine enables anytime cleaning
- Moves from carpet to hard floors and back again easily with automatic brush adjustment

Anytime, anywhere cleaning

Cleans both hard floors and carpets

Maintain cleaning effectiveness while also reaching under toe kicks and along edges on hard floors and carpets, with the automatic brush adjustment.

Easy to operate

For operator convenience and comfort the controls are located on the handle and allow for dual down pressure settings and filter shaker activation. Displays included are hour meter and battery level indicator.

Effortless maintenance

Empty the hopper using minimal effort with ergonomically designed handles and easy-to-remove and empty large-capacity debris hopper (1.25 ft³ / 35 L).
