Powerful Floor Scrubbing for Smaller Applications

Achieve a superior level of clean in smaller applications with the cordless, battery-operated, compact Bulldog Mini Floor Scrubber. This highly maneuverable, lightweight, and powerful scrubber/sweeper has been designed to clean almost any floor surface in virtually any area. Wall to wall, under chairs and into the tightest corners, entrance mats, grouted ceramic, highly polished surfaces, and even rubberized floors are no match for the Bulldog Mini.

Superior Results in a Fraction of the Time

Increase the productivity of your cleaning routine substantially with the Bulldog Mini Floor Scrubber. By cleaning floors at a rate of over 15,000 square feet per hour, the Bulldog Mini saves time and money. Its innovative design provides performance cleaning in small spaces and low-profile areas. The two cylindrical counter-rotating brushes scrub the surface right up to the edge of the machine, picking up dirt and debris from the tightest places.

Operator-friendly features make the Bulldog Mini a breeze to operate. Easy access to the solution and recovery tanks, start/stop safety handle, bi-directional capability, and multi-surface use are just some of the Bulldog Mini's operator-friendly features. The Bulldog Mini washes, brushes and dries at the same time, significantly increasing productivity. Maintenance has been simplified with easy and simple brush install/removal.
