FLOOR GRINDING SOLUTIONS

FOR A BETTER WAY OF WORKING

Husqvarna PG 540

The PG 540 (5.5 hp / 4.0 kW) is a powerful, compact and versatile planetary floor grinder perfect for smaller jobs. Available in both single phase and three phase. It combines a smart compact design for easy transportation with real work-horse performance and sheer grinding power. It's easy to handle, tilt and operate with optional adjustable weights for extra grinding pressure. Suitable for all applications: floor prep, grinding and polishing. To maximize reliability and reduce maintenance, the vital components of the PG 540 are protected against dust and slurry inside the hermetically sealed grinding head and electrical cabinet.

● Rated input power **5,5 hp**

● Phases **1**

FEATURES

Sealed to last

Sealed grinding head with 1000 hrs service interval. No dust or water can intrude to damage components.

Adjustable grinding pressure

The optional weights are a must-have for every professional grinder, as they allow adjusting to the grinding pressure in three pre-set positions. They also make tilting the machine that much easier.

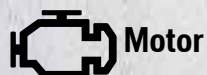

Protected electronics

Dust sealed electrical cabinet with external cooling technology.

Hour and RPM meter

Ability to log operating hours and read the RPM of the machine.

SPECIFICATIONS

Rated input power **5,5 hp**
 Rated current **30 A**
 Voltage **200-240 V**
 Phases **1**
 Pins **3P+E**

Product size width **22 in**
 Product size height **28.9 in**
 Weight **392 lbs**

Direction of rotation **Both directions**
 Number of grinding discs **3**
