

SUPER CITRUS FAST FILL

ULTRA CONCENTRATED DETERGENT

SuperCitrus is an ultra-concentrated detergent for all types of soils. This floor cleaning chemical is the safest heavy-duty cleaner on the market. Just one half of a bottle is enough for a 30-gallon solution tank in your floor scrubber.

Recommended Uses:

• Bathrooms • Hard floors • Floor scrubbers • Walls • Pressure Washer

Benefits

Safe and Easy to Use

SuperCitrus contains no hazardous ingredients.

Non-Combustible

Safer to use than degreasers containing oil-based solvents.

Economical Sizes Available

Two cases of this detergent are equal to one 55-gallon drum.

No Carcinogens

This product has been formulated to be non-carcinogenic and safe for use.

Economical

Only one case of SuperCitrus can fill up a scrubber 48 times.

Makes Removing Oils Easy

Easily dissolves greasy oil stains like motor oil, fatty oils found in restaurants.
